DOUBLE DEGREE

IN BUSINESS

CEU | *Universidad
Cardenal Herrera*

FH MÜNSTER
University of Applied Sciences

The European Business Programme is an international itinerary which you can obtain a double degree in Business Administration from CEU UCH and from the Fachhochschule in Münster, Germany.

WHAT IS IT ABOUT?

It is a double degree program that consists of carrying out studies at the home institution and at the host institution, in addition to doing an internship with a company in a country chosen by the student.

The objective of this Double Degree program is to train students to become a professional with a practical orientation, having acquired the necessary skills in both countries and having not only theoretical knowledge but also practical skills and intercultural experience.

STUDY IN MÜNSTER

To obtain the official German degree, CEU students have to spend one academic year in Münster, which allows them to enjoy an international experience, meeting other students from all over the world and broaden their knowledge in the largest economy in Europe and the fourth largest economic power in the world, which can open their horizons and help them build their future.

Enjoy an international experience in Münster, a university city in Germany where you can meet other students from all over the world and broaden your knowledge at a German university founded in 1780.

Complete your education in Europe's largest economy and the world's fourth largest economic power can open your horizons and help you build your future.
